Dear Ms. Cunningham and Mr. Clark:

This letter concerns Site Screening Area (SSA) 12 at Naval Air Station Joint Reserve Base (NASJRB) Willow Grove, PA. Pursuant to Clause 9.3.C.(4) of the NASJRB Federal Facility Agreement dated June 29, 2005, as amended (FFA), the Navy has determined that SSA 12 should proceed with an RI/FS. The site will be referred to as Site 12, South Landfill, and we request that EPA assign an Operable Unit designation for this site. Proposed schedules will be included for Site 12 in the next draft of the updated Site Management Plan.

If you have any questions, please do not hesitate to contact the Remedial Project Manager, Mr. Curt Frye, at 215-897-4914.

Sincerely,
